GIS FOR ISOKINETIC CONFERENCE

The upcoming Isokinetic Conference will be a milestone: the 30th edition!

It will be held in London on the 27th, 28th and 29th of May 2023 and it will be focused on "Football Medicine: The Pursuit of Excellence".

This event has become a landmark for international professionals involved in orthopedic rehabilitation and sports medicine: sports medicine physicians, orthopaedic surgeons, physiatrists, physiotherapists, chiropractors, sports scientists, fitness coaches, athletes, and students.

The Scientific Programme will feature different subjects, without compromising depth. The main overarching subjects, following the theme of 'The Pursuit of Excellence' will be: Injury Mechanism, General Sports Medicine, Rehabilitation, Joint Injuries, Muscle Injuries, Football Surgery, Football Performance, Brain Health.

We are happy to inform you that the GIS - SPORT AIFI members and colleagues can participate at the Isokinetic Conference with a special rate of £390 instead of the standard early bird fee of £790.

Please check further information, programme details and faculty lineup at www.isokineticconference.com

The Conference is the best way to develop your professional network and launch your career in Football Medicine!

We hope to see many of you in London at #isoK23
